

EARLY LITERACY

- Understanding beginning, middle, and end
- Identify Onset – initial sound
- Identify Final Sound
- Segmenting Onset & Rime e.g., h...at
- Blending Phonemes
- Substituting, adding, and deleting phonemes
- Identifying Medial Sound

105

INCORPORATE SOUND TO LETTER

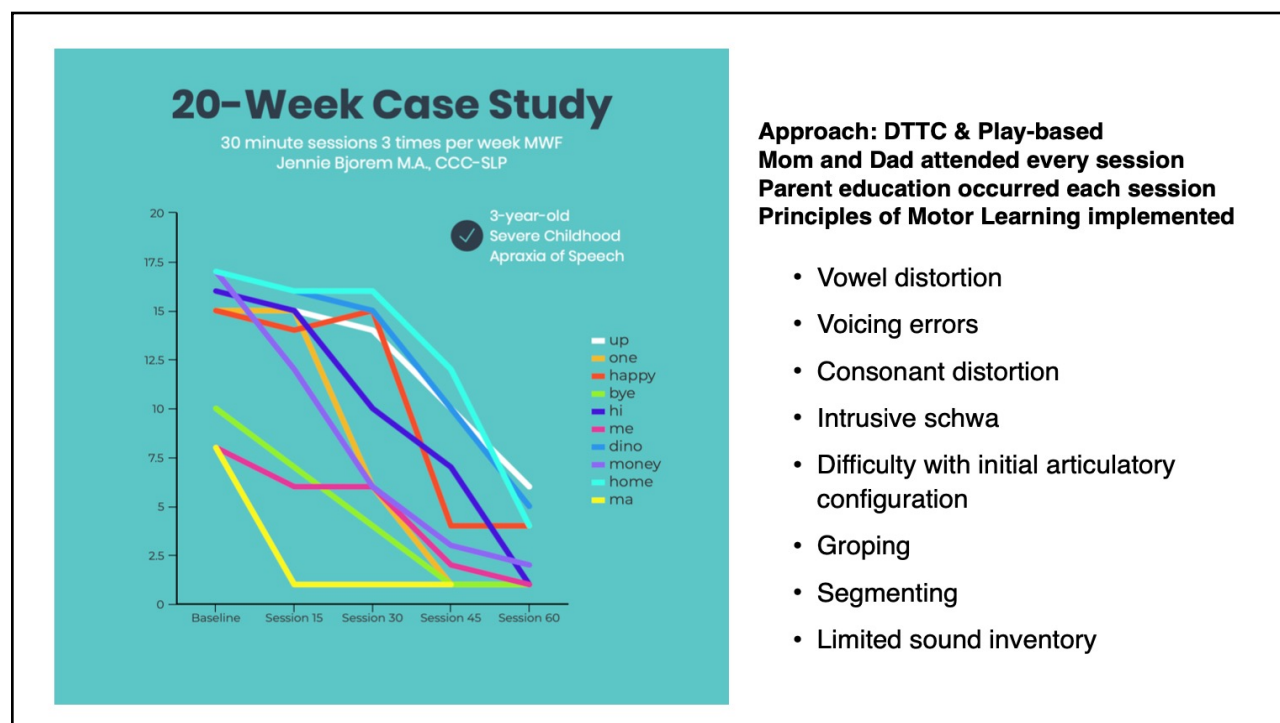

- Pair letters with sounds
 - Write on the table
 - Use letter tiles
 - Play a matching game
- Refer to sounds as sounds
- Refer to letters as letters

106

GROWTH MINDSET

- Growth mindset is very important in speech therapy.
- Children with CAS have had a history of failing
- It is going to take time for you to earn their trust
- AND... growth needs to come from within

WOW! *you did it!*
 YOUR BRAIN IS **GROWING** *YOU DON'T KNOW HOW TO DO IT*
YOU *yet!*
PRACTICED
YOU ARE GETTING BETTER
Yes! What hard work
 This is challenging, you are working hard.
try again. **WHEN YOU WORK HARD YOU LEARN NEW THINGS**
you can do it!
I can tell you have been practicing.

112

**I CHALLENGE YOU
TO SAY...**

- You are working hard
- You should feel proud
- You did it
- When you work hard you learn hard things!
- Your brain muscles are growing
- You can do it!

**AND STOP SAYING
"GOOD JOB"**

113

MOTIVATION NEEDS
TO COME FROM
WITHIN.....

APraxia Therapy
Is Hard Work
and Progress can be slow...

BUT THEY CAN DO IT
WITH YOUR HELP!
