THERAPY PARTNERS

Meet Your  
**sidekick**

**Sidekick Therapy Partners** is an energetic, growing company with 40 years of experience serving Tennessee. We give schools and patients access to the therapies and resources they need to improve their communication and overall quality of life.

Our team is made up of 150+ specialized therapists in Speech-Language Therapy, Occupational (OT/COTA), and Physical Therapy (PT/PTA). We provide high-quality care for patients in school systems, homes, daycares, and our outpatient offices—so they can become the hero of their own journeys.

## What Our Sidekicks Are Saying

“

“During my CFY at Sidekick, I loved how my supervisor was easily accessible and always happy to help with any questions I had.”

Pamela J. MS CCC-SLP

”

“I love being a part of a company that supports and offers continued growth in leadership and clinical skills!”

Maria R. MS OTR/L

“

“Sidekick is more than a company, it's a team that sees values in all of its teammates. I love being a part of a team that supports professional growth.”

Whitney C., PT, DPT

## Factors to Consider

- Sidekick speaks with applicants by phone and gives the option to visit the office in person
- We are among the largest primarily pediatric practices in Tennessee with 150+ SLPS, OT/COTAs, and PTA/PTAs
- Every therapist is a W-2 employee, not an independent contractor
- Tennessee has no state income tax, potentially saving you money
